

# NFL Survivor Pool

(aka Suicide Pool)

## Rules:

- 1) Each participant chooses one NFL team each week to WIN. (Note: games ending in a TIE are considered losses)
- 2) Each team can only be chosen once by each participant.
- 3) Picks are made "straight up", not using a point spread system.
- 4) Your picks must be received no later than **NOON (12:00 PM)** each **Sunday**, unless you are picking a game that starts prior to that time.

Note: if you are picking a game that starts prior to the NOON Sunday deadline, that pick **must be received no later than that game's kickoff.**

- 5) After you submit your pick, you can change it provided
  - a) the configured deadline has not past (12:00 PM each Sunday),
  - b) a game that you already picked has not started.
- 6) If your pick is correct, you survive until the next week.
- 7) An incorrect pick eliminates you from the pool for the remainder of the season. (Unless the **Mulligan** option is chosen – see below for Mulligan option)
- 8) The goal is to be the last member standing at the end of the season.

## Mulligan Option (aka: Buy-Back):

- Each player is allowed one Mulligan.
- Mulligans are only allowed for people who have been eliminated during **Weeks 1 through 5.**
- If you buy a Mulligan, you must do so the week immediately following your original elimination.
- Mulligans cost \$50 and must be paid prior to submitting your next pick.
- Your list of previously chosen teams remains intact.
- All other rules still apply.

## Entry Fee:

- \$20, payable when prior to submitting your Week 1 pick.

**Note:** The Pool Organizers (Pat & Jackie) are not subject to the initial \$20 Entry Fee. They will however, be subject to any Mulligan Option (aka: Buy-Back) fees, should they opt to do so.

Payout:

- Winner takes all (e.g. # of Entries x \$20, plus # of Mulligans x \$50)

# of Players	20	\$400
# of Mulligans	3	\$150
Total Payout		\$550

- If more than one participant remains after week 18, the Total Payout will be split evenly amongst those remaining people

Communication:

- The Pool Organizers will
  - Send a “Confirmation” communication to each player upon receipt of their entry fee.
  - Provide a list of picks shortly after the passing of the configured deadline. (12:00 PM each Sunday)
  - Provide an updated Weekly Status no later than each Tuesday evening.

Please confirm your entry by providing your **name, contact info (email and/or phone) and \$20** to one of the Pool Organizers.

Please contact one of the Pool Organizers if you have any questions or concerns.
